

## **Publications**

**Mission:** This committee is responsible for: 1) production of *Newsline* as an electronic newsletter; 2) written communication published in the *News and Views Online* section of the CPDD website; and 3) advising on CPDD relations with Elsevier, including contracts and Editor appointments, for the benefit of the CPDD membership.

**Committee Members:** The President-Elect of CPDD appoints members of the Publications Committee and its Chair for 3-year terms. Terms begin and end immediately after the annual meeting

**Committee Operations:** The Publications Committee usually is comprised of 4-5 members (including the chair) and several ex-officio members that provide oversight for multiple publications of the CPDD (below), annual meeting abstracts, annual meeting symposia summaries (published in the NIDA Monograph) and any new publication ventures sponsored by CPDD. The Publications Committee provides input and recommendations on these publications to the BOD.

The Publications Committee reports to the CPDD BOD in June and gives an interim report in December-January. Initiatives of the Committee are proposed to the Executive Committee for consideration during the year and to the BOD at the Annual Meeting. Special charges to the Publications Committee are considered and recommendations to either the Executive Committee or the entire BOD are made. The Publications Committee also prepares documents for distribution to the CPDD membership as needed, for example, to announce changes in the abstract publication policies.

### **Drug & Alcohol Dependence (DAD): News & Views**
