

## **CPDD 2019 Symposia, Workshops and Forums**

### Full Symposia

1. David Shurtleff, Chair                      Emmeline Edwards Co-Chair  
Exploring non-opioid approaches for the treatment of pain  
*Speakers:* Vitaly Napadow, Saadat Inan, Mohab Ibrahim, David Seminowicz  
*Discussant:* David Shurtleff
2. Brian Kiluk, Chair                            Katie Witkiewitz, Co-Chair  
Novel and meaningful clinical trial endpoints in substance use disorder treatment  
*Speakers:* Katie Witkiewitz, Brian Kiluk, Alan Budney, Kelly Dunn  
*Discussant:* Eric Strain
3. Sarah Yip, Chair                              Susan Whitfield-Gabrielli, Co-Chair  
Predictive modeling in addiction: Recent findings and implications for precision medicine  
*Speakers:* Reagan Wetherill, Hugh Garavan, Sarah Lichenstein, Jennifer Stewart  
*Discussant:* Susan Whitfield-Gabrielli
4. Susan Weiss, Chair                           Krista Lisdahl, Co-Chair  
What predicts early alcohol sipping, caffeine use, and screen media activity in youth?: Two-year findings from the Adolescent Brain Cognitive Development (ABCD) Study  
*Speakers:* Krista Lisdahl, Ashley Watts, Raul Gonzalez, Martin Paulus  
*Discussant:* Susan Weiss
5. Mariangela Martini, Chair                   Mark Smith, Co-Chair  
Mechanisms for sex and gender differences in addiction: Implications for prevention and treatment  
*Speakers:* Mariangela Martini, Anousheh Bakhti-Suroosh, Mark Smith, Kathleen Brady  
*Discussant:* Wendy Lynch
6. Kathleen Carroll, Chair                      Maxine Stitzer, Co-Chair  
*In Memory of Nancy Petry:*  
Application of behavior analysis to the treatment of addiction: Reflections on a short career  
*Speakers:* Warren Bickel, John Roll, Carla Rash, David Ledgerwood  
*Discussant:* Kathleen Carroll

7. Kurt Rasmussen, Chair                      Jane Acri, Co-Chair  
Enlarging the toolbox: Using preclinical data to identify new targets for medication-assisted treatment of opioid use disorder  
*Speakers:* Kathryn Cunningham, Amy Newman, Lorenzo Leggio, Carrie Jones  
*Discussant:* Kurt Rasmussen
  
8. Yasmin Hurd, Chair                      Justine Larson, Co-Chair  
Developmental factors contributing to opioid use disorder vulnerability  
*Speakers:* Lane Strathearn, Susan Andersen, Yasmin Hurd, David Nielsen  
*Discussant:* Justine Larson
  
9. Yasmin Zakiniaieiz, Chair                      Eric Woodcock, Co-Chair  
To smoke or not to smoke: That is the cue-estion  
*Speakers:* Amy Janes, Eric Woodcock, Teresa Franklin, Michael Saladin  
*Discussant:* Rajita Sinha
  
10. Hannah Cooper, Chair                      Rich Jenkins, Co-Chair  
The implementation chasm for harm reduction services in rural areas  
*Speakers:* Gillian Leichtling, Hannah Cooper, David Seal, Christine Schalkoff  
*Discussant:* Rich Jenkins
  
11. David Farabee, Chair                      Redonna Chandler, Co-Chair  
Studies of medications for addiction treatment in correctional settings cooperative (SOMATICS): Addressing the opioid crisis in vulnerable populations  
*Speakers:* Redonna Chandler, Robert Schwartz, Joshua Lee, David Farabee  
*Discussant:* Gary Zarkin

#### Mini Symposia

1. Cody Siciliano, Chair                      Erin Calipari, Co-Chair  
Developing and utilizing preclinical models for investigating circuit-based mechanisms controlling behavioral dysregulation in addiction  
*Speakers:* Cody Siciliano, Erin Calipari, Michael Taffe
  
2. Marilyn Carroll, Chair                      Wendy Lynch, Co-Chair  
Self-sustaining strategies offering nondrug choices reduce long-term drug craving and relapse: Sex differences  
*Speakers:* Marco Venniro, Marilyn Carroll, Kenneth Silverman

3. Emily Hankosky, Chair                      Linda Dwoskin, Co-Chair  
Etiology and treatment of co-occurring substance use disorders and attention-deficit hyperactivity disorder: From preclinical studies to big data analytics  
*Speakers:* Kathleen Kantak, Jeffrey Talbert, Frances Levin
4. William Dewey, Chair                      Hamid Akbarali, Co-Chair  
Peripheral mechanisms of opioid tolerance  
*Speakers:* Hamid Akbarali, Sabita Roy, Shilpa Buch
5. Constance Guille, Chair                      Kimberly Yonkers, Co-Chair  
The use of technology to improve detection and treatment of perinatal substance use disorders  
*Speakers:* Kimberly Yonkers, Constance Guille, Ariadna Forray
6. Allison Kurti, Chair                      Stephen Higgins, Co-Chair  
Leveraging technology to deploy innovative substance abuse treatments  
*Speakers:* Allison Kurti, Donald Dougherty, Stacy Ryan
7. Charles France, Chair                      James Woods, Co-Chair  
Methocinnamox: A novel antagonist for treating opioid overdose and abuse  
*Speakers:* James Woods, William Clarke, Lisa Gerak
8. Diane Abatemarco, Chair                      Karol Kaltenbach, Co-Chair  
Outcomes of mindfulness-based interventions in the treatment of maternal substance use  
*Speakers:* Karol Kaltenbach, Diane Abatemarco, Michael Mackenzie

### Workshops

1. Steve Gust, Chair  
NIDA International Forum Research Poster Session
2. Dustin Schienost, Chair                      Sarah Yip, Co-Chair  
Introduction to machine learning and applications to addiction research  
*Speakers:* Nicholas Allgaier, Dustin Scheinost, Sarah Yip, Jillian Hardee, Steven Grant
3. Diann Gaalema, Chair                      August Holtyn, Co-Chair  
25th Annual Contingency Management Working Group  
*Speakers are selected during the spring prior to the annual meeting.*

4. Denise Vidot, Chair Cecilia Bergeria, Co-Chair  
Navigating a Career in Addiction Science  
*Speakers:* Cecilia Bergeria, Denise C. Vidot, Ryan T. Lacy, Alexandra Duncan, David Fakunle
  
5. Erin Winstanley, Chair Margaret Chisolm, Co-Chair  
Communicating your science  
*Speakers:* Bertha Madras, Philip Vieira, Joseph Palomar, Erin Winstanley
  
6. James Sorensen, Chair Joseph Guydish, Co-Chair  
Manuscript review: Tips and traps for emerging investigators in drug dependence research  
*Speakers:* Linda Porrino, Travis Lovejoy, LaTrice Montgomery, Agnieszka Freda , Eric Strain
  
7. A. Kathleen Burlew, Chair Aimee Campbell, Co-Chair  
Opioid use disorder impacts diverse communities too!  
*Speakers:* Viviana Horigan, Angela Haeny, Ayana Jordan, Kamilla Venner
  
8. Howard Chilcoat, Chair  
Epidemiology and public health research methods  
*Speakers:* Howard Chilcoat, Angela DeVeough-Geiss, Deborah Hasin
  
9. Joy M. Schmitz, Chair  
Reaching underserved smokers: New strategies and how to implement them  
*Speakers:* Luba Yammine, Angela Stotts, Karen Cropsey, Jennifer Vidrine, Mary Brunette
  
10. Sean Murphy, Chair Kathryn McCollister, Co-Chair  
Expanding the impact of substance use disorder research: Economic analysis for program and policy evaluation  
*Speakers:* Kathryn McCollister, Sean Murphy

11. Steven Belenko, Chair Danica Knight, Co-Chair  
Using implementation science principles and interventions to improve substance use services linkage for justice-involved adolescents: Findings from the NIDA JJ-TRIALS cooperative  
*Speakers:* Gail Wasserman, Steven Belenko, Jennifer Becan, Wayne Welsh
  
12. Tanya Ramey, Chair F. Gerard Moeller, Co-Chair  
Deep phenotyping, drug development tools and -omics biosignatures for SUDs  
*Speakers:* Kristopher Baugh, James Bjork, F. Gerard Moeller

#### Forums

1. Margaret Chisolm, Chair Erin Winstanley, Co-Chair  
Media Forum 2019: What's hot  
*Speakers are selected during the spring prior to the annual meeting.*
  
2. Martin Iguchi, Chair Sandra Comer, Co-Chair  
Emerging technologies and addiction research: Promise and practice (Policy Forum)  
*Speakers:* William Dewey, Edward Long, Todd Richmon, David Gastfriend, Linda Collins
  
3. Mark Smith, Chair Ziva Cooper, Co-Chair  
Animal Forum: How many "Rs" does it take to do research?  
*Speaker:* Sander O. Hacker
  
4. Victoria Votaw, Chair  
Ethical challenges recruiting and retaining participants in addiction research (Humans in Research Forum)  
*Speakers:* Sharon L. Walsh, Alison Oliveto, Erin A. McClure, Jacob Borodovsky
  
5. Marco Pravetoni, Chair Sean Luo, Co-Chair  
Medical devices and substance use disorders: Linking efforts from academia, industry and government. A Town Hall presented by the CPDD academia, industry and academia committee.  
*Speakers:* Aaron Tandler, Adrian Miranda, Jonathan Wai,  
*Discussant:* Sean Luo
